Section 7 - Technical Specifications (pages 18 to 19)

Section 8 - Manpower Requirements (page 20)

Section 9 - Method of Evaluation and Award (page 21)

Forms A and B (page 22)

Section 1 - Instructions to Bidders

1.1 General

Bids shall be submitted online through the PMC e-tendering portal. Physical bids will not be accepted.

1.2 Two-part bid

The bid shall be submitted in two parts: Part A (Technical Bid) containing the eligibility and qualification documents, and Part B (Financial Bid) containing the price schedule in Form B.

1.3 Signing of bid

All documents submitted with the bid shall be signed and stamped on every page by the authorised signatory of the bidder.

1.4 Conditional bids

Conditional bids shall be summarily rejected.

1.5 Cost of bidding

The bidder shall bear all costs associated with the preparation and submission of its bid, and PMC will in no case be responsible for those costs.

1.6 Clarifications

Any clarification regarding the tender document may be sought in writing up to seven days before the last date of bid submission.

1.7 Pre-bid meeting

A pre-bid meeting will be held at the office of the Executive Engineer (Electrical). Minutes of the meeting will be published on the portal and shall form part of the tender document.

1.8 Earnest Money Deposit

The bidder shall pay an Earnest Money Deposit of Rs. 45,000/- online. Bids without the Earnest Money Deposit shall be rejected.

1.9 Language of bid

The bid and all correspondence shall be in English or Marathi.

1.10 Amendments

PMC may amend the tender document at any time before the last date of bid submission by issuing a corrigendum on the portal.

1.11 Opening of bids

Technical bids will be opened online on the date stated in the Notice Inviting Tender in the presence of bidders who choose to attend.

1.12 Evaluation process

Technical bids will be evaluated first against the criteria in Sections 2, 4, 5, 6, 7 and 8. Financial bids of only technically qualified bidders will be opened.

1.13 Fraud and corrupt practices

PMC requires bidders to observe the highest standard of ethics during the procurement process. A bidder found to have engaged in corrupt or fraudulent practice shall be rejected.

1.14 Right to accept or reject

PMC reserves the right to accept or reject any bid, or to annul the tender process, without assigning any reason.

Section 2 - General Eligibility Criteria

2.1 Bidders shall submit a valid GST registration certificate as proof of statutory compliance.

2.2 A valid EPF and ESIC registration certificate is mandatory for all bidders employing contract labour.

2.3 Bidders must satisfy every eligibility criterion on the last date of bid submission.

2.4 A bidder not meeting any criterion in this Section shall be declared non-responsive and its financial bid shall not be opened.

Section 3 - Scope of Work

3.1 The work comprises design, supply, installation, testing and commissioning of grid-connected rooftop solar PV systems of aggregate capacity 150 kWp across six municipal buildings.

3.2 The scope includes mounting structures, modules, inverters, cabling, earthing, lightning protection, net-metering liaison with MSEDCL and training of PMC staff.

3.3 The system shall be designed for a service life of not less than 25 years.

3.4 The bidder shall carry out a site survey of each building before finalising the design.

Section 4 - Commercial Terms and Conditions

4.1 Supply, installation and commissioning shall be completed within 90 days of issue of the work order.

4.2 Payment terms: 60% of the contract value shall be released on supply of material at site, 30% on successful commissioning, and 10% after acceptance by the Engineer-in-Charge.

4.3 The successful bidder shall furnish a performance security of 5% of the contract value within 15 days of issue of the Letter of Acceptance.

4.4 Liquidated damages at 0.5% of the contract value per week of delay shall be levied, subject to a maximum of 10% of the contract value.

4.5 Prices shall be firm and inclusive of all taxes and duties for the entire contract period.

4.6 The contractor shall insure all material at site until handing over to PMC.

4.7 Neither party shall be liable for delay caused by force majeure events, provided the other party is notified in writing.

4.8 Disputes arising out of this contract shall be subject to the jurisdiction of courts in Pune.

Section 5 - Financial Eligibility

5.1 The bidder shall furnish audited financial statements evidencing an average annual turnover of not less than Rs. 5,00,00,000/- (Rupees Five Crore only) over the preceding three financial years.

5.2 The financial years to be considered are FY 2022-23, FY 2023-24 and FY 2024-25.

5.3 The audited statements shall be signed by a Chartered Accountant with a valid UDIN.

5.4 In case of any discrepancy between figures stated in the bid and the audited statements, the audited statements shall prevail.

5.5 The tender committee reserves the right to seek clarification on any financial document.

Section 6 - Technical Qualification

6.1 The bidder must have successfully completed at least one rooftop solar installation project of value not less than Rs. 2,00,00,000/- (Rupees Two Crore only) within the last five years.

6.2 Documentary proof in support of Clause 6.1, such as the work order and the client's completion letter, shall be enclosed.

6.3 Projects executed for a sister concern or group company of the bidder shall not be considered.

6.4 The value of a project shall mean the value of work actually executed, excluding taxes.

Section 7 - Technical Specifications

7.1 PV modules shall be mono-PERC or TOPCon, of minimum 540 Wp rating, conforming to IEC 61215 and IEC 61730.

7.2 The bidder shall attach a manufacturer authorization certificate for the solar PV modules proposed to be supplied.

7.3 Inverters shall be grid-tied string inverters conforming to IEC 62109 with remote monitoring.

7.4 The system, including panels and inverters, shall carry a minimum comprehensive warranty of 10 years from the date of commissioning.

7.5 Mounting structures shall be hot-dip galvanised steel designed for a wind speed of 170 km/h.

Section 8 - Manpower Requirements

8.1 The bidder shall deploy at least one certified electrical engineer at the project site throughout the execution period.

8.2 All workers shall be provided with personal protective equipment and shall follow the safety instructions of the Engineer-in-Charge.

Section 9 - Method of Evaluation and Award

9.1 The contract shall be awarded on the basis of L1, that is, the least cost among technically qualified bidders.

9.2 Only the financial bids of bidders who meet all criteria in Sections 2, 4, 5, 6, 7 and 8 shall be opened.

9.3 In case two or more bidders quote the same lowest price, the committee shall decide by draw of lots.

Forms

Form A - Covering Letter

To, The Executive Engineer (Electrical), Pune Municipal Corporation. We hereby submit our bid for the above work and accept all terms and conditions of the tender document.

Form B - Price Schedule

Lump-sum price for the complete scope of work, inclusive of all taxes and duties, in figures and in words.
